8 SYNOPSIS: Under existing law, a municipal public
9 housing authority may exercise the power of eminent
10 domain.

11 This bill would delete the power of eminent
12 domain and authorize a municipal public housing
13 authority to purchase property only for public
14 housing purposes and after notice to certain
15 surrounding property owners and approval of the
16 city council.

17 Under existing law, a public housing
18 authority must file annually with the mayor of the
19 city where the authority is located a report of its
20 activities for the preceding year and make
21 recommendations pertaining to any needed
22 legislation or activity for the upcoming year.

23 This bill would require that a public
24 housing authority also file annually a copy of its
25 five-year plan and would require the city council
26 to hold a public hearing on the annual
27 recommendations and the five-year plan. This bill

1 would require the five-year plan to include
2 proposed purchases of property when possible. If
3 the authority serves any area outside the corporate
4 limits of the authorizing municipality, this bill
5 would require the authority to submit to the county
6 commission of the county served by the authority
7 any recommendation and any part of the plan that
8 pertains to the area in the jurisdiction of the
9 county. This bill would require approval by the
10 city council and by the county commission, as the
11 case may be, before a recommendation or plan could
12 be implemented.
