8 SYNOPSIS: Currently homeowner's insurance carriers are  
9 required to mail a complete policy to their  
10 insureds on the annual renewal date of the policy.

11 This bill would provide for the "Homeowner's  
12 Insurance Cost Transparency Act." The bill would  
13 require each insurance carrier of a homeowner's  
14 policy to include with each annual renewal package  
15 a clear written disclosure of the costs of each  
16 type of individual coverage provided in the policy.  
17 The costs would be expressed in both the cost for  
18 each \$1,000 of coverage, and the actual total cost  
19 of each coverage provided in the policy.
