8 SYNOPSIS: Currently, Alabama does not have a state  
9 minimum wage law.

10 This bill would propose a constitutional  
11 amendment to increase the state minimum wage to  
12 \$9.80 per hour in three steps ending January 1,  
13 2016.

14 This bill would provide that tipped  
15 employees' wages may not fall 30 percent of the  
16 minimum wage at any time.

17 The bill would provide for an increase  
18 commencing on January 1, 2020, and every three  
19 years thereafter based on the Consumer Price Index  
20 for the July 1st of the year preceding the year of  
21 the increase.

22 The bill would require the State Finance  
23 Director to notify the Alabama Department of Labor  
24 in writing between October 1 and October 15 each  
25 year preceding a wage adjustment of the percentage  
26 to be used for the cost-of-living adjustment for  
27 the next three calendar years.

1                   This bill would require the Alabama  
2                   Department of Labor to post any change in the state  
3                   minimum wage on its website which shall serve as  
4                   notice to each employer of this state.

7 Section 6. Nothing in this amendment shall be deemed  
8 to interfere with, impede, or in any way diminish the right of  
9 employees to bargain collectively through representatives of  
10 their own choosing in order to establish wages in excess of  
11 the applicable minimum wage provided for by this amendment.

12 Section 7. Beginning January 1, 2020, and every
