16 TO BE ENTITLED

17 AN ACT

18  
19 To establish the Fostering Hope Scholarship Act of  
20 2015, relating to a tuition scholarship program for current or  
21 former foster children in Alabama; to impose requirements for  
22 participation; to direct the Department of Human Resources to  
23 adopt and administer the program; to authorize the department  
24 to develop rules to administer the program; to establish a  
25 support system for participants in the program; and to repeal  
26 Section 3 of Act 2014-413, now appearing as Section 40-18-362,  
27 Code of Alabama 1975.

1 BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

2 Section 1. This act shall be known and may be cited  
3 as the Fostering Hope Scholarship Act of 2015.

4 Section 2. (a) The State Department of Human  
5 Resources shall develop and administer Fostering Hope, a  
6 scholarship program for designated persons currently or  
7 formerly in the state foster care program, including children  
8 adopted from the program at the age of 14 or older. Commencing  
9 with the 2016-2017 academic year, the program, on behalf of  
10 participants, shall do either of the following:

11 (1) Pay for tuition and required fees at any public  
12 two-year or four-year institution of higher education in the  
13 state.

14 (2) Pay required fees for job training courses or  
15 skill certifications that are offered by any public two-year  
16 or four-year institution of higher education in the state or  
17 other publicly funded training programs in the state, and not  
18 considered an associate's degree, if the courses or  
19 certifications are first approved by the department.

20 (b) Payments of tuition and required fees are  
21 considered program scholarships.

22 Section 3. The program shall include a mentor  
23 service administered by the department as a support system for  
24 participants of the college tuition scholarship program. This  
25 service shall include mentors who shall be compensated by the  
26 department, as employees or contractors, to help participants

1 adapt to independent living and to academics and other college  
2 or university activities.

3 Section 4. Appropriations for the program shall be  
4 used by the department on behalf of participants in each  
5 fiscal year to pay public two-year and four-year institutions  
6 of higher education or other publicly funded training programs  
7 in the state for benefits extended to participants by the  
8 Fostering Hope program. The department may also use not more  
9 than 10 percent of the total state appropriation made to the  
10 program in any fiscal year for costs associated with the  
11 mentor service. The department may not spend appropriations  
12 for the program for purposes other than those listed in this  
13 section. Any monies appropriated to the department for  
14 Fostering Hope that are unspent at the end of a fiscal year  
15 shall be carried over for use by the program in the next  
16 fiscal year. The department shall develop rules for ensuring  
17 that expenses of the Fostering Hope program in a fiscal year  
18 do not exceed funding for the program in that fiscal year. For  
19 that purpose, and any other provision of this act to the  
20 contrary notwithstanding, the department may limit the  
21 acceptance of applications for Fostering Hope scholarships and  
22 may limit the award of scholarships.

23 Section 5. The program shall pay tuition and  
24 required fees for a participant as governed by rules  
25 promulgated by the department. In no event shall tuition and  
26 required fees be paid pursuant to this section for more than  
27 72 academic hours toward an associate's degree or 144 academic

1 hours toward a bachelor's degree for each participant. The  
2 program shall only pay tuition and fees relating to an  
3 undergraduate degree.

4 Section 6. (a) To be eligible to participate in the  
5 program, a scholarship applicant shall satisfy all of the  
6 following:

7 (1) Be in the legal custody of the foster care  
8 program of the department at the time of graduation from high  
9 school or earning a General Educational Development (GED) high  
10 school equivalency certification; or in the permanent legal  
11 custody of the foster care program of the department when his  
12 or her adoption is finalized, at 14 years of age or older, and  
13 has graduated from high school or earned a GED certification.

14 (2) Have net personal assets worth less than thirty  
15 thousand dollars (\$30,000), subject to adjustment by the  
16 Commissioner of the Department of Human Resources to account

19 the semester, training program, or certification program for

22 training, or certification program, or is enrolled and working  
23 toward a degree, certificate, or completion of a job training  
24 program, at a public two-year or four-year institution of  
25 higher education or publicly funded training program in the  
26 state.

1           (5) Is making adequate progress toward the  
2 completion of a degree, certification, or training program as  
3 determined by rule promulgated by the department.

5 Department of Education a Free Application for Federal Student  
6 Aid (FAFSA), or the equivalent, before each year in which he  
7 or she receives a Fostering Hope scholarship. He or she shall  
8 have applied for all federal student financial aid grants,  
9 including Pell grants, Supplemental Education Opportunity  
10 Grants, and Education and Training Vouchers, identified as  
11 being available for the student's application by the  
12 department or by Federal Student Aid, an office of the United  
13 States Department of Education, or its successor agency.

14           (b) To be eligible to participate in the program  
15 after the first year of participation, an applicant shall also  
16 satisfy all of the following:

17           (1) Complete, after the first academic year in which  
18 he or she receives a Fostering Hope scholarship, annual  
19 volunteer service requirements or employment requirements

22 established by the college, university, or other training or

24 enrolled.

25           (c) Scholarship funds may be disbursed only if  
26 sufficient funding for the Fostering Hope program is  
27 available.

1           Section 7. A scholarship awarded pursuant to this  
2 act may not be reduced by the amount of any federal aid,  
3 scholarship funds, or grant funds otherwise received by the  
4 person or by the amount of any private donations made to  
5 assist the Fostering Hope program.

6           Section 8. Fostering Hope scholarship funds shall be  
7 applied to tuition and mandatory fees before any other grant,  
8 loan, voucher, or scholarship the student may be awarded to  
9 attend a public two-year or four-year institution of higher  
10 education in the state or publicly funded state training  
11 program.

12           Section 9. Any other provision of this act to the  
13 contrary notwithstanding, an otherwise eligible person who  
14 earns grants, scholarships, or other awards, excluding loans,  
15 sufficient to pay his or her tuition, room and board, and  
16 other fees at a public two-year or four-year institution of  
17 higher education in the state or publicly funded state  
18 training program, as governed by rules promulgated by the  
19 department, may not participate in the Fostering Hope program.

20           Section 10. The commissioner of the department may  
21 promulgate rules as necessary to implement and administer this  
22 act.

23           Section 11. All laws or parts of laws which conflict  
24 with this act are repealed. Specifically, Section 40-18-362,  
25 Code of Alabama 1975, as added by Act 2014-413, 2014 Regular  
26 Session, relating to postsecondary education assistance for  
27 students in foster care, is repealed.

1                   Section 12. This act shall become effective on  
2           October 1, 2015, following its passage and approval by the  
3           Governor, or its otherwise becoming law.
