12

On page 6, after line 6, insert a new paragraph d.
as follows:

"d. The exemption from the requirement to utilize sealed bids for the purchase of heating or air conditioning units or systems authorized by this amendatory act shall not serve to exempt any public works project from the remaining provisions of this article, including, but not limited to, design and review requirements, compliance with all applicable codes, laws, specifications, and standards, and the compensation of engineers, architects, or others as mandated by state law or rule.
