8 RECOGNIZING GYNECOLOGIC CANCER AWARENESS MONTH.

9  
10 WHEREAS, gynecologic (GYN) cancers are among the  
11 leading cancer killers of women in the United States, and more  
12 than 107,000 women will be diagnosed, and more than 31,000  
13 women will die from these diseases this year and the absence  
14 they leave in our hearts will be deeply felt forever; and

15 WHEREAS, the Laura Crandall Brown Foundation and its  
16 "A State of Teal" initiative brings awareness of all GYN  
17 cancers to the people throughout the State of Alabama; and

18 WHEREAS, the good health and well-being of women in  
19 our state are enhanced by increased awareness of GYN cancers  
20 and their symptoms and treatments; and

21 WHEREAS, it is also crucial that all women in our  
22 state take an active role in learning the symptoms and risk  
23 factors associated with GYN cancers, developing healthy  
24 habits, and undergoing regular medical examinations so that  
25 any occurrence of these diseases may be detected in their  
26 early and treatable stages; and

1                   WHEREAS, we reflect upon the memory of those lost to  
2 these diseases, the bravery of those currently battling these  
3 diagnoses, and the need for increased awareness, screening,  
4 and research so that the women of our state might be spared  
5 from them in the future, and encourage all citizens to work  
6 together to raise awareness of GYN cancers; now therefore,

7                   BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF  
8 THE LEGISLATURE OF ALABAMA, That we hereby recognize September  
9 2018 as Gynecological Cancer Awareness Month throughout the  
10 state and encourage all residents to work together to raise  
11 awareness of GYN cancers, and we commend this observance to  
12 all of our citizens.
