8 On page 21, delete subdivision (f) and insert the
9 following new subdivision (f) as follows:

10 "(f) All ALDOT Projects funded pursuant to this
11 section shall be let to contract by ALDOT and subject to the
12 following requirements:

13 a. ALDOT shall establish and apply Disadvantaged
14 Business Enterprise (DBE) goals in the same manner and
15 consistent with the requirements respecting DBEs of the
16 Federal Highway Administration (FHWA) for road and bridge and
17 other similar contracts funded with federal funds. The DBE
18 goal for ALDOT Projects funded pursuant to this section shall,
19 to the extent reasonably possible, be the same as the goal
20 established annually by ALDOT for contracts funded with
21 federal funds and approved by FHWA. ALDOT shall provide, on
22 October 1 of every fiscal year of the state, beginning
23 December 1, 2021, for the year commencing October 1, 2020, a
24 report of ALDOT Projects let to contract pursuant to this
25 section, including information on the established DBE goals
26 for ALDOT Projects, to the Chair of the Joint Transportation
27 Committee, the Governor, the Senate Pro Tempore, the Speaker

1 of the Alabama House of Representatives, the Alabama Senate
2 Minority Leader, and the Alabama House of Representatives
3 Minority Leader.

4 b. ALDOT shall utilize its GFO dated August 14,
5 2018, for the next four years to design equivalent pavement
6 sections. At that time the Department shall evaluate what
7 procedures to adopt going forward in consultation with, or
8 otherwise informing as soon as practicable, the Permanent
9 Joint Transportation Committee. Any exception to the GFO shall
10 be presented to the Joint Transportation Committee.

11 c. For the next four years, where feasible and
12 practical, ALDOT will provide alternative pavement designs
13 utilizing asphalt or concrete materials and shall seek bids."
