BE IT ENACTED BY THE LEGISLATURE OF ALABAMA:

Section 1. Section 11-43A-1.1 of the Code of Alabama 1975, as added by Act 2018-569 of the 2018 Regular Session, is amended to read as follows:

"§11-43A-1.1.

"Notwithstanding any other provision of this article, after the judge of probate has certified to the mayor or other chief executive officer of the municipality the sufficiency of a petition asking that the question of the adoption of the council-manager form of government be submitted to the qualified voters of the municipality, any Class 4, 5, 6, 7, or 8 municipality having the mayor-council form of government, by resolution of the council, may provide for the adoption of the council manager form of government
under this article having a council in a municipality proposing to adopt the council-manager form of government to be composed of either five or seven members. As follows: One member shall be the mayor elected at large, who shall be a voting member of the council. Either and either four or six members shall be council members elected either at large or from single-member districts, as the resolution shall provide. If a municipality has single-member districts for the election of council members when the council-manager form of government is adopted in the municipality, the municipality shall continue with either four or six council members elected from single-member districts and the mayor shall be elected at large. After the adoption of the resolution by the council, the question on the ballot shall indicate the composition of the mayor and council should the council-manager form of government be adopted. If the adoption of the council-manager form of government is approved as provided in Section 11-43A-6, the municipality shall be governed by this article, except to the extent of any direct conflict in this article concerning the number and election of members of the council as provided in this section, and as subject to the resolution of the council providing for the adoption of the council manager form of government."
