On page 74, after line 12, insert a new subsection (e) and reletter the remaining subsection accordingly:

(e)(1) As used in this subsection, certified dispenser means an employee of a dispensary who dispenses medical cannabis to a registered qualified patient or
1 registered caregiver and who has been trained and certified by
2 the commission.

(2) The commission shall establish and administer a
3 training program for dispensers that addresses proper
4 dispensing procedures, including the requirements of this
5 subsection, and other topics relating to public health and
6 safety and preventing abuse and diversion of medical cannabis.
7 The commission shall certify trained dispensers and may
8 require, as a qualification to remain certified, periodic
9 training.

(3) A certified dispensary shall comply with all of
10 the following:

a. Before dispensing medical cannabis, inquire of
11 the patient registry to confirm that the patient or caregiver
12 holds a valid, current, unexpired, and unrevoked medical
13 cannabis card and that the dispensing of medical cannabis
14 conforms to the type and amount recommended in the physician
15 certification and will not exceed the 60-day daily dosage
16 purchasing limit.

b. Enter into the patient registry the date, time,
17 amount, and type of medical cannabis dispensed.

C. Comply with any additional requirements
19 established by the commission by rule.

(4) The commission shall adopt rules to implement
20 this subsection.
