shall make requisitions to the State Comptroller in favor of
the proper beneficiary in accordance with the law and rules
and regulations governing the expenditure or disbursement of
any and all funds appropriated to the State Department of
Education and/or the State Board of Education in this act,
whereupon the Comptroller shall issue his warrant therefor.
All other appropriations in this act shall be paid after
proper requisitions are made to the State Comptroller in the
manner now provided by law.

Section 6. Nothing in this act shall be construed to
affect or repeal any law authorizing or permitting any
college, school or other education or eleemosynary institution
of the State to receive, collect or disburse any fees,
tuitions, charges, sales, endowments, trusts or income
therefrom, which are now or may hereafter be authorized to
receive, collect or disburse. The receiving college, school or
institution shall further maintain separate accounts for such
receipts or shall maintain a system of accounting which will
show a cash flow of such receipts received under the provision of this appropriation.

Section 7. The appropriations made herein to the departments, boards, offices, commissions, and agencies include the amounts necessary and said departments, boards, offices, commissions, and agencies are hereby directed to make the transfer of funds to the State Personnel Department in the amounts enumerated in the general appropriations act for the fiscal year ending September 30, 2021. All agencies and institutions enumerated in this act that receive services from other governmental agencies enumerated in this act or the general appropriations act shall make full payment in a timely manner (as determined by the Department of Finance) for such services.

Section 8. All encumbered balances of a previous fiscal year appropriation other than the exclusions authorized by the Code of Alabama 1975, Section 41-4-93, shall lapse no later than September 30 of the fiscal year immediately following the fiscal year for which the appropriation was made and shall revert to the credit of the Education Trust Fund or earmarked fund from which the appropriation or appropriations were made.

Such appropriations are in addition to any other appropriation heretofore or hereafter made in this appropriation act. Such appropriations are conditioned upon the availability of funds and a determination by the Director of Finance that other current appropriations are not available for court-ordered payments.

Section 10. Local boards of education may exercise flexibility among line item expenditures, not to create a reduction of earned teacher units and/or local board of education support personnel.

Section 11. The State Superintendent of Education may approve a request by a local board of education for redirecting Other Current Expense funds designated for pass-through calculations to their local Child Nutrition Program if the redirected funds do not prevent the Child Nutrition Program of that local board of education from maintaining a one-month fund balance.

Section 12. The appropriations made herein to the departments, boards, offices, commissions and agencies include the amounts necessary to pay the State Employees' Insurance Board (SEIB). The SEIB rate shall be $930 per month for each full-time employee for the fiscal year ending September 30,

preference will be given to undertakings that will directly
impact student achievement and improve performance on state
assessments to include remediation for students, after-school and tutorial programs, career/technical programs, character education, enrichment activities, programs that enhance reading and mathematics abilities in students, activities that increase grade-to-grade promotion, career and college readiness and early warning and prevention programs. Funds should be awarded on a per-pupil basis, with no more than ten percent of the grant award going toward personnel costs.

(b) In an effort to provide the best and most efficient implementation for intervention and innovation in schools, administration of the grant awards shall be assigned to the Alabama State Department of Education's Division of Administrative and Financial Support with evaluative input from other Alabama State Department of Education advisory personnel, including the State Superintendent of Education, as appropriate. The grant application process must require districts to submit plans to the Alabama State Department of Education detailing their intended use of the grant funds with regard to student proficiency and growth. Grants may be awarded any time after July 1st so schools can prepare for the new school year. Notwithstanding the foregoing, the Alabama State Department of Education's Division of Administrative and

and each district’s plan for those funds. Those districts
shall submit follow-up reports indicating the results of those
plans from the previous school year by July 31, 2021.

Section 15. (a) All nongovernmental entities,
identified by the Legislative Services Agency, which are
allocated funds in Section 3 of this act shall file a report
with the Chairs of the House Ways and Means-Education
Committee, the Senate Committee on Finance and
Taxation-Education, and the Deputy Director of the Legislative
Services Agency-Fiscal Division regarding the proposed
expenditures and usage of the funds appropriated in the fiscal
year ending September 30, 2021.

(b) In the event that the entity was also allocated
funds pursuant to Act 2019-403, the entity shall also include
in its report a detailed inventory of the services delivered
for the fiscal year ending September 30, 2020 pursuant to
guidelines provided by the Legislative Services Agency.

of the appropriations herein made is held unconstitutional or
invalid, it shall not affect any other section, paragraph,
sentence, clause, provision or portion of this act or any
other appropriation or appropriations or portion thereof
hereby made not in and of itself unconstitutional or invalid.
