3 to read as follows:

4 "§16-1-44.

5 "(a) (1) Each local board of education shall develop
6 and adopt a comprehensive school emergency operations plan for
7 each school under the authority of the board.

8 "(2) The local board or its agent shall examine the
9 conditions and operations of each school under the authority
10 of the local board to determine hazards to student and staff
11 safety and shall propose changes, if needed to promote the
12 prevention of dangerous problems and circumstances.

13 "(3) In developing the plan for each school, the
14 local board or its agent shall involve community law
15 enforcement and safety officials, including community fire and
16 emergency management assigned to the school.

17 "(b) (1) The board shall incorporate into each

25 severe weather safety plan.

1 "b. A protocol for responding to emergency events
2 that compromise the safety of school property, students, and
3 employees.

4 "(2) Each protocol shall include procedures for
