

2
3 ORR AMENDMENT TO SB46
4
5
6
7

8 On page 8, line 17, delete "Gelatinous" and insert
9 in lieu thereof the following:

10 Non-sugarcoated gelatinous
11

12 On page 11, delete line 2 and reletter the remaining
13 paragraphs accordingly
14

15 On page 35, line 22, after "(f)" insert the
16 following:

17 (1)
18

19 On page 35, delete lines 26 and 27 and insert in
20 lieu thereof the following:

21 condition, which may not exceed the limits set forth
22 in subdivision (2).

23 (2) The maximum daily dosage may not exceed 50 mg of
24 delta-9-tetrahydrocannabinol; provided, however, the maximum
25 daily dosage may be increased under either of the following
26 circumstances:

1 a. A registered certifying physician may increase a
2 patient's daily dosage if, after 90 days of continuous care
3 under the physician during which time the patient was using
4 medical cannabis, the physician determines that a higher daily
5 dosage is medically appropriate, provided the maximum daily
6 dosage under this paragraph may not exceed 75 mg of
7 delta-9-tetrahydrocannabinol.

8 b. A registered certifying physician may increase a
9 patient's daily dosage if the patient has been diagnosed with
10 a terminal illness, provided, if the recommended daily dosage
11 exceeds 75 mg of delta-9-tetrahydrocannabinol, the physician
12 shall notify the patient that the patient's driver's license
13 will be suspended.

14
15 On page 70, line 5, after "practices," insert the
16 following:

17 and meet Good Manufacturing Practices,

18
19 On page 71, line 8, after "child-resistant" insert
20 the following:

21 , tamper-evident

22
23 On page 71, delete lines 18 through 22 and insert in
24 lieu thereof a new subsection (f) as follows and reletter the
25 remaining subsections accordingly:

26 (f) The following statement shall be included on
27 each label, if space permits, or as an insert within the

1 package: "WARNING: This product may make you drowsy or dizzy.
2 Do not drink alcohol with this product. Use care when
3 operating a vehicle or other machinery. Taking this product
4 with medication may lead to harmful side effects or
5 complications. Consult your physician before taking this
6 product with any medication. Women who are breastfeeding,
7 pregnant, or plan to become pregnant should discuss medical
8 cannabis use with their physicians."
9

10 On page 85, after line 19, insert the following new
11 Section 6 and renumber the remaining sections accordingly:

12 Section 6. Any person who is recommended a daily
13 dosage of medical cannabis that exceeds 75 mg of
14 delta-9-tetrahydrocannabinol under paragraph (f)(2)b. of
15 Section 20-2A-33, Code of Alabama 1975, shall automatically
16 have his or her driver's license suspended, regardless of
17 whether he or she holds a valid medical cannabis card under
18 Chapter 2A of Title 20, Code of Alabama 1975.
